

Thank you for your interest in hosting a Community Pint Night at MAP Brewing Company! Below you'll find some information about what our pint nights entail.

Pint Night Dates & Times: Our Community Pint Nights are scheduled every Monday evening, from 4-8pm. We kindly request that someone from your organization be present to chat with Guests in our tasting room during that time period. Please let us know if you are unable to have a representative here.

Return to your Organization: We donate 50 cents from every pint sold back to your organization. Checks are sent out within two weeks.

Making your Pint Night Successful: It's pretty straightforward - the more beer we sell, the more money you get! **The success of your pint night depends on your promotion of it,** so utilize your social media, newsletters, and other networks to let people know about your event. Please add MAP Brewing as a co-host on your Facebook event, and that's a great way for us to get it on our calendar and out to our network as well. Some organizations will host raffles or silent auctions, as these are additional ways you can generate revenue.

What to Bring: Most companies will set up in the entry way with banners, promotional materials, donation jars, and 1-2 representatives, to make sure that everyone walking in the doors knows about the organization that we're hosting that night. You're welcome to bring handouts or table tents to put on each table as well. Many organizations find pint nights are as much about friend-raising as they are about fund-raising, so the more opportunities you have to engage Guests with your organization, the better.

How to Get on the Calendar: We book our pint nights for January through June in October of the previous year, and we book the second half of the year - July through December - in April. Dates fill up quickly, so please reach out to Caitlin at the email below if you'd like to get on the schedule!

ABOUT MAP BREWING COMPANY

Map Brewing Company opened its doors in October of 2015. Started by Patrick Kainz and Dash Rodman, the goal of Map is simple - craft and drink great beer. Through hard work, enthusiasm, and passion, we know that every great adventure starts with a Map.

Cheers!

MAP Brewing Company
